For more than a century, friends, family and countless couples have enjoyed the hotel's spectacular setting, attentive staff and splendid accommodations.

The Brown Palace Hotel offers 13,000 square feet of event space, comfortably entertaining parties of eight to 800 for bridal showers, rehearsal dinners, wedding ceremonies and receptions. Throughout the hotel, guests are surrounded by exceptional furnishing and details: stunning crystal chandeliers, a hand-painted ceiling mural, flowing tapestries, a marble fireplace and pure onyx columns. The Brown has history, style and tradition to spare, giving any occasion its own lasting charm and warmth.

For every wedding and event, an experienced banquet service staff member oversees each and every detail. With more than 100 years of weddings, The Brown Palace has earned special distinction for outstanding service. From five-course banquets to custom-designed wedding cakes by the hotel's very own executive pastry chef, The Brown prides itself on culinary excellence for every catered event. Entertainment and photographer referrals may be provided, and an on-site flower shop extends personal consultations for the bride-to-be.

The bride and groom aren't the only ones who will be spoiled at The Brown. Wedding guests enjoy the convenience of staying on property in one of the hotel's 241 richly appointed guest rooms and suites, warmed by the colors and fabrics of either the Victorian or Art Deco eras. At the Top of the Brown (floors eight and nine) are 33 palatial, executive accommodations. Each of these rooms includes upgraded services and amenities such as marble bathrooms featuring Roman bathtubs, a refrigerator stocked with complimentary water, bedside slippers, daily turndown service, as well as additional business amenities, including printer/copier/fax machine and a laptop recharging station. Two of these rooms have a treadmill or stationary bike and are reserved on a first-come, first-served basis.

The Spa at The Brown Palace, which pampers guests with natural spring water drawn from its own artesian well, is a popular option for prenuptial pampering. Encompassing two floors of the hotel, the 5,200-square-foot spa features a private couples and celebrity suite with a dual reclining hydrotherapy tub, six massage and skin treatment rooms, separate men's and women's locker rooms with relaxation areas, Swiss showers, steam rooms with aromatherapy, and a nail and hair salon.

The Brown Palace Hotel and Spa is a Forbes Four Star, AAA Four Diamond luxury landmark located in the heart of downtown Denver.
